Ph: 0731 - 2729071 - 75, Email: principal_svts@yahoo.com

About Shri Vaishnav Group

Shri Vaishnav Shekshank evam Parmarthik Nyas of Indore is a well known charitable organization of the Country, for its services towards the social upliftment activities for the people of all classes and walks of life. 130 years ago, in 1884, under the patronage of few enterprising merchants of Cloth Market, Indorean Educational Social and Charitable Trust was promulgated as Vishnu Dharmada, which was later reconstituted as Shri Vaishnav Sahayak Kapda Market Committee, in the year 1934. Realizing that education is essential for the rapid growth of society and leading a happy life for an individual, the Committee established its first education institute in the year 1951. To boost its efforts in the field of Professional Education and Social Services, Shri Vaishnav Shekshank evam Parmarthik Nyas was established in the year 1981. Since the year of its establishment, the Nyas has been working relentlessly for the upliftment of the society and the country as a whole, by providing better technical and professional education, health centers, schools and other services. Presently 25 Educational and social organizations with more than 18000 students are functioning under the aegis of Shri Vaishnav Trust. Shri Vaishnav Group is at the verge of starting the State Private University, "Shri Vaishnav Vidyapeeth (Nij) Vishwavidyalaya" which is likely to start functioning from the next academic year 2015-16.

About Indore

Indore is the commercial capital and education hub of central India. Indore is a historic city, earlier known as Indoor, was built by Devi Ahilya Bai Holkar, one of the famous queens of India. It has great legacy and cultural heritage. Indore has the proud privilege of having both IIM and IIT. It is also surrounded by well developed, industrial hubs like Dewas & Pithampur where there are well known industrial houses like Kirloskar, Eicher Volvo, Tata International, L&T, Mahindra, Man Trucks, Cipla, Ranbaxy, Ruchi Soya, Cummins & Bridgestone. Soon TCS and Infosys will be in full fledged operations in the city. As a tourist destination, being at the centre, Indore is well located with two "tjyotirlingas" Mahakaleshwar, Ujjain and Omkareshwar both located within 75 kms of Indore. Maheshwar, the first capital of Holkars, and Mandu the once thriving socio-cultural centre, more popular for the romantic legend of Baz Bahadur and Rani Rupmati, are located nearby. The city of Indore is well connected by air, road and railways with all the known major destinations.

About ISTE

The Indian Society for Technical Education is a national, professional, non-profit making Society registered under the Societies Registration Act of 1860. First started in 1941 as the Association of Principals of Technical Institutions (APTI), it was converted into "Indian Society for Technical Education" in 1968 with a view to enlarge its activities to advance the cause of technical education in the country. ISTE has an Executive Council at National level. It has active membership of more than 97286 technical teachers, 5,66,466 student members, more than 2345 institutional members (including IITs, IISc., NITs and other leading technical institutions), 1166 faculty chapters and 1280 students' chapters throughout the country. The major objective of the ISTE is to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industries and other organizations.

About MP - CG ISTE Section

ISTE section of MP-CG has its head quarter at Bhopal. The section coordinates various technical activities and provide necessary support to various ISTE chapters in M.P. and C.G. which include about 2500 ISTE members. The ISTE section is playing a vital role in guiding the faculty and student chapters in various engineering institutes of M.P. and C.G. under the leadership of **Dr. Ashish Dongre, Director, Technical Education, M.P. as Chairman of ISTE (MP & CG Section).**

About Seminar

The main objective of this seminar is to provide a common platform for promoters, academicians and industrial professionals to discuss about "Emerging Challenges in Technical Education". The following issues will be discussed during seminar:

- ▶ Low Admission in Engineering Colleges
- ▶ Employability and Quality of Engineering Graduates
- ▶ System heavily oriented towards local textbooks driven examinations
- ▶ Role of Private Universities in Technical Education
- ▶ Quality of Faculty, Integrity and Preparedness for Integration into the Knowledge Revolution
- ▶ Quality of Research Publications, Research Integrity

How to Apply

Interested faculty members / research scholars / persons from industries should submit complete registration form to the Convener on or before **8th November, 2014.**
